No. 24-1228C
Judge Schwartz

<p>FILING CONTAINS PROTECTED INFORMATION TO BE DISCLOSED ONLY IN ACCORDANCE WITH U.S. COURT OF FEDERAL CLAIMS PROTECTIVE ORDER</p>

JOINT STATUS REPORT

Pursuant to the Court's September 26, 2024 Order, ECF No. 52, the parties respectfully file this joint status report. As reflected before the Court in the status conference on September 24, 2024, and in subsequent filings before the Court including defendant's motion for enlargement, filed yesterday October 3, 2024, defendant has taken steps towards corrective action. Pursuant to this corrective action, defendant has proceeded towards new awards that may moot all protests. Formal notices to the vendors are in the administrative process.

According to defendant's second unopposed motion for an enlargement of time, the next filing deadline in this case—response to the protestor motion for discovery—is October 11, 2024. If no corrective action has been noticed to the Court by October 11, the parties suggest filing a Joint Status Report indicating how the parties believe the case should proceed.

Additionally, as required by the Court's Order at ECF No. 52, should this protest proceed the parties respectfully suggest that oral argument take place the week of December 9, 2024.

Respectfully submitted,
